Land Trust

Land Trust training video at www.schoollandtrust.org/training. Funds go towards aides, intervention, assistants, RAD Kids, etc. Land Trust meetings held on October 11th at 6:00 at Riverton High, November 1st at 6:00 at Copper Hills, and November 9th at Mount Jordan Middle.

SNAP

We currently have crossing guards at Lake Run and 11400th South as well as Oakmond and Firmont. We want to add a crossing guard on Pale Moon and Oakmond.

Parking Lot Concerns

Principal Whiteside is concerned about kids getting out of their cars on the wrong side (the passing lane). Talked about switching entrance/exit, but too much back up traffic from the Oakmond/Firmont intersection. Decided to email/message parents and teachers regarding the drop-off lane and that kids need to get out of their vehicle on the side with the sidewalk.

Dual Immersion

Michelle Bailey from the District will be coming to our next meeting held on October 18th. She is over the Dual Immersion program and will be able to answer any questions we may have. Andrea offered to create a questionnaire for teachers to see first if they are willing to move ahead. We can vote to proceed at that meeting or postpone the vote until November.

Battle of the Books

For grades 4–6. Held in January–February. Looking for ways to purchase 40 more books not found in Scholastic. School pays for this program while the PTA helps with prizes.

Education Bill

Education Bill explained by Delani to get more money for primary education. Would impose .45% increase in state sales taxes and .45% increase in state personal income taxes in 2019. Gives an additional \$1000 per student. Parents help decide where money is being spent. More info at www.ourschoolsnow.com.
